

**Plan Name: Dental Preferred Premier (GHI)**

Thank you for choosing EmblemHealth.

The Find Care search results in this document are current as of October 25, 2023 at 12:02 PM.

Doctors, hospitals or other providers may change from time to time, so it is always best to check with your doctor before making an appointment to confirm that they are still in your plan's network and that they are accepting new patients.

A network is a group of health care professionals or facilities that contract with EmblemHealth. They provide covered products and services to members. You'll usually pay less when you use doctors, hospitals, and others in the network.

To get the most up-to-date information about the EmblemHealth network providers in your area, you can log into your portal and use the Find Care tool.
