Message from Aaron Armstrong:

“Dear fellow members,

It is with both sadness and an eye to the future that, effective 9/30/2023 at 11:59pm, I will be officially stepping down from my position as PCTEA President. It has been my honor to proudly serve this union for close to 20 years and will always hold PCTEA dear to my heart. I also thank you for your kindness and support throughout all these years. Together we have overcome so many obstacles and have made so many advances. Along the way I have had the pleasure of making many friends and for that I am enriched.

Please give all your support to my successor, Edward Klavoon, who will be stepping up to the challenge of leading PCTEA into the bright future that lies ahead. Thank you all.”

The PCTEA Officers and Executive Committee would like to thank Aaron Armstrong for his years of service and dedication. He has made a difference in the lives of many people and we are proud of all that he has accomplished.

With Aaron’s departure, several changes have been made. Your new PCTEA officers are :

Our monthly General meetings are informative and a place where we discuss your concerns. At the meetings you will hear the President, Ed Klavoon report on items and issues at hand. A financial report is given by the treasurer at every meeting. As a PCTEA member you have an opportunity to vote on UNION BUSINESS at the monthly GENERAL MEETINGS!

We must meet a quorum at each meeting to conduct union business. The PCTEA required quorum is 20 members in attendance. Please add the monthly meeting to your calendar of events. We look forward to serving you as PCTEA Executive Board Members.
